

Integrated key management & access control

Torus + HID makes it easy for staff and contractors to access the keys they need. This integrated solution means only authorized personnel have access to keys - you can control access to each key and know exactly who has them.

Security
Keys are secured when not in use and can only be accessed by authorized users

Efficiency
Reduce time and frustration associated with manually checking keys in and out

Accuracy
Maintain consistent details across systems without additional data entry

Unified Reporting
Enjoy comprehensive reporting and a single source of truth

Advantages

Deploy seamlessly across all your sites allowing for comprehensive management of cardholders, buildings and keys. Update permissions in real time and view all reporting from within HID.

Requirements

Torus cabinet
Torus software account + integrations
HID access control
