

## Integrated key management & access control

Torus + Honeywell Enterprise Buildings Integrator (EBI) R600 and (EBI) R610 makes it easy for staff and contractors to access the keys they need. This integrated solution means only authorized personnel have access to keys - you can control access to each key and know exactly who has them.

**Security**  
Keys are secured when not in use and can only be accessed by authorized users

**Efficiency**  
Reduce time and frustration associated with manually checking keys in and out

**Accuracy**  
Maintain consistent details across systems without additional data entry

**Unified Reporting**  
Enjoy comprehensive reporting and a single source of truth

### Advantages

Deploy seamlessly across all your sites allowing for comprehensive management of cardholders, buildings and keys. Update permissions in real time and view all reporting on user activity and alarms from within Honeywell EBI.

### Requirements

- Torus cabinet
- Torus software account + integrations
- Honeywell EBI R600 onwards
- EBI web service
